

TARGET WORLD

MACHINE GUN

COURSE

Hands-On Training and Live-Fire Exercise!

Date: March 13, 2010

Cost: \$99.00 (Includes enough ammunition to shoot three of the primary course machine guns.)

- Must pay in full to sign up for course.
- Additional ammunition to shoot more guns must be purchased at Target World that evening in the form of pre-loaded magazines.

Time: 7:30 PM till ~11:00 PM w/ Optional Shooting Afterwards. (Please arrive 15-20 minutes early to sign-up, sign waiver, and get oriented.)

Max Number Of Students Is 12. Sign-up Early To Ensure Availability!

All Minors Must Be Accompanied By Parent Or Have Minor Waiver Signed By Parent.

Guns Involved: The course covers the history and operation of various machine guns, plus the students will have the opportunity to shoot at least the MP5, Uzi, and 9mm M-16. There will be other guns present that can be shot as time and ammo permit, as well as demo guns which cannot be shot on the range due to backstop limitations.

"Good background and very knowledgeable speaker. . . shooting was of course a blast!"

"I enjoyed learning about the history of the Machine Gun. I also appreciated the instructor's enthusiasm, and I got to shoot an Uzi!"

"This is a really unique opportunity that I though I would have to travel for."

"It was an absolute blast!"

"Great course. I did not know what to expect because I am not versed in guns at all. You made it easy to understand and very interesting. Would do it again in a second!"
